- Engages with and applies the Bible for all its worth
- Looks after their money, their body, their time, their integrity and the world around
- Hears from God and prays for people in a naturally supernatural way
- Is in increasingly good relationships with everyone they interact with
- Participates and engages in church and accountable small group relationships
- Knows who they are and what they're for and focuses on that
- Reaches out to people beyond their circle of comfort

The eight traits are summarised in three themes:
